

Quality

Allight Pty Ltd (Company) is a market leader and preferred supplier of innovative solutions that keep customers productive by delivering on-time every time, quality products and services in a professional and cost effective manner, which satisfy or exceed the requirements and expectations of our national and global customers.

We are committed to:

- Establishing the Quality function throughout all operational and service activities.
- Maintaining an effective Quality Management System throughout the manufacturing facilities of the Company in line with the requirements of *AS/NZS ISO 9001:2015 Standards*.
- Creating a culture of commitment to goals and objectives by communicating and measuring key performance indicators and continually improving our business processes.
- Promoting the value of team work and employee participation in suggesting and identifying improvement opportunities.
- Adhering to policies and procedures in accordance with the Company Management System.
- Working with our customers and suppliers to continually improve the quality of our products and services.
- Providing adequate resources to continually improve and proactively participate in continual improvement activities.
- Comply with statutory obligations, specifications and codes of practice relevant to quality management.

The principles in this policy apply to all Company locations.

Nathan Hart
Chief Executive Officer / Chief Financial Officer
